

FLIGHT DOVE (FDOVE)

V 1

INTRODUCTION

Flight Dove (FDOVE) is a digital currency token based on Blockchain technology, a decentralized, distributed ledger that records the provenance of a digital asset. FDOVE is Developed on BEP20 Token, allowing you to leverage the fast and secure on Binance Smart Chain blockchain and run Dapps without having to pay extra high gas fees.

We are introducing Flight Dove (FDOVE) is a crypto community with the FAIR LAUNCH Defi project on the BSC ecosystem without any private or presale.

This is FDOVE projects we concentrate : Earn \$FDOVE and \$BNB just by holding of \$FDOVE token. Play automated Android & Windows App Trading Tools that will provide an opportunity to Earn money. The World Only NFT Marketplace Concept.

Our main reason why we choose "DOVE"? Dove symbolizes loyalty, where is our business policy will always be loyal to FDOVE holders.

TOKENOMICS

- Total Supply : 1,000,000,000,000,000 (1 Quadrillion)
 - 70% for Fair Launch

Flight Dove

OUR PROJECT

BNB REWARD FOR HOLDERS

- ✅ All FDOVE holder will get their BNB, but our BNB Claim system have minimum withdraw amount to reduce all transactions fees.
- ✅ The estimation of minimum claim is \$1 in BNB (Est. 0.004 BNB for now). And if you get BNB Claim Reward under \$1 in BNB, Don't worry, your BNB balance will still be there and accumulate until next BNB Reward.
- ✅ Your BNB will be accumulate from beginning (As long as you NOT SELL your FDOVE balance, if you sell, your accumulate of BNB will RESTART TO ZERO again (Note : we adopt daily restart system). So, who become loyal holders WILL GET MORE BNB from people who sell their FDOVE) 🤔🕊️
- ✅ We will provide you THE CHEAPEST transaction fee for claim your BNB Reward, how much? almost ZERO fees 🤑, Good News right? 🤔🕊️ We decide WONT charge you another fee like another company do, you only need to pay your BSC transaction fee only (Est. only around \$0.1 in BNB)

OUR PROJECT

AUTOBOT TRADING APP

The Easiest Crypto Trading Bot App

Flight Dove need cereals to be able to grow and become big, so we will use cereals for stimulus FDOVE. Cereals will be used for our trading bot, further information will be included in the whitepaper V2.

- ✓ Auto Trading Feature
- ✓ Auto Withdraw System
- ✓ Auto Stop Profit/Lose

- ✓ Trade By Your Self
- ✓ No Sharing Profit
- ✓ Rebate For FDOVE Holder
- ✓ With this app, we are very sure that volume of transaction Autobot will increase a lot, it's mean FDOVE hodler reward will increased too 🕊

- ✓ There is no limitation of trading transaction for everyone who hodl FDOVE (This is special fasilities for holder, SO THE HODLERS WILL ALWAYS WIN)

OUR PROJECT

NFT MARKETPLACE

✨ Nowadays NFT is being loved around the world, because we can perpetuate our artworks such as songs, paintings, and also videos into creations that were limited like the one and only in this world.

🔥 But unfortunately until now, NFT marketplace concepts which exist can't emit the greatness of an artwork that only one in this world.

🕊️ FDOVE NFT Marketplace presents a new feel for the NFT world, we give a theme for every kind of NFT, and in the more sophisticated dimension, it will make you as an NFT creator or an NFT collector enjoy more than NFT art.

CONCLUSION

Flight Dove Coin is a unique, outstanding, excellent, and splendid, moral, and ethical concept of cryptocurrency. It will revolutionize the concept of virtual currency based on goodness and loyalty. Flight Dove Coin has nothing to do with the methods of fraud and treasury. Instead, it will focus on the legal and pious ways of giving maximum benefits to the investors and holders of the token. Its utilization is excellent, good and is only focusing on the moral and ethical utilization of cryptocurrency, it will progress by leaps and bounds for sure. The team, planning, strategy, project, efforts, honesty, goodness, and right-minded movement will be the best concept of cryptocurrency in the modern era.
